

## ESSENTIAL COACHING GEAR TO HELP CLIENTS *CHOOSE CHANGE*

[CRRGLOBAL.COM/EDGE-COMPASS](http://CRRGLOBAL.COM/EDGE-COMPASS)

An edge has many descriptions and just as it can be difficult to decipher which is best to follow, we as humans in relationship, approach an edge *or* edges in different manners.

By using the **Edge Model** along side **Relationship Systems Coaching**, you can learn to strategically approach your clients' edge(s) quickly, achieve results and best of all ***deliver action!***

*What's currently edgy for you & your clients?*

This virtual program is great whether you work with individuals or teams! **EDGE PROGRAM** gives you a cool new tool, framework and methodology to help your clients go "over the edge," and achieve the results they seek.
